Maintaining the legal and social framework means to keep track of things such as ownership of land, businesses, and patents. Other functions include establishing a monetary system, creating laws, and creating courts. Maintaining social and legal framework is another way of organizing the government.

Maintenance of the Legal and Social Framework - Economics

The legal framework The law that underpins the statutory responsibilities for social care is the Care Act 2014. It was introduced in order to simplify and make fairer the legal entitlements to care and support, which were covered under a number of different pieces of legislation. Its focus is on preventing and delaying needs for care and
