The Magic of Fire: Hearth Cooking: One Hundred Recipes for ...

In fact, The Magic Of Fire is the best instruction of skillful cooking on the hearth now in print. At its heart the instruction of hearth technique is the driving force behind the choice of recipes, and each has been selected for its illustrative value for some fine point of technique. As a result a good many are basic, which is not to say boring.

The Magic of Fire: Hearth Cooking

William Rubel's remarkable The Magic of Fire provides unexpected answers to the question, not immediately apparent to those interested in pursuing live-fire cooking and the intense flavors it produces. To be sure, the book is definitive in its exploration of open-hearth technique; readers learn everything they need to know about equipment, methods (including ash baking, ember roasting, and hearthside grilling, among others), and even about fire itself (it has various life stages, each best ...

The Magic of Fire: Hearth Cooking : One Hundred Recipes ...

The Magic of Fire is that rare coffee-table sized book -- it's the one you are going to use for more than just drooling over the pretty pictures. (Mind you, the pictures are quite droolworthy.) Rubel carefully describes the techniques of hearth cookery, and then provides a number of recipes to practice upon.
