are grouped in sets and based on diagrams, charts and data tables. The questions represent a wide range of difficulty and cover depth and breadth in assessing students' achievement levels.

Major Field Tests: Bachelor's Degree in Business

The Major Field Tests (MFTs) are innovative undergraduate assessments designed to measure the basic knowledge and understanding achieved by students in a major field of study. Test results enable academic departments to better assess and refine curricula, and gauge the progress of students compared to others in the program and those in similar programs at schools throughout the country.
