This book is based on a scientific and thorough survey of over 800 project managers worldwide and focuses on what separates the

superstar PMs from the average. It's great for learning the traits and habits that help determine what your peers and superiors think of you – and what will help you climb the corporate ladder most quickly.

The 7 Best Project Management Books

This is a digital project management book for anyone who thinks they might want to get started in a career as a digital project manager (DPM). The book covers what being a digital project manager is all about; what digital project management is, why I love it and what DPMs actually do all day. The book explores what makes a great digital project manager and explores where you can begin and what steps you can take to start your career as a DPM.

Project Management Body of Knowledge (PMBOK) ~ By Duncan

Haughey. Now in its fifth edition, the Project Management Body of Knowledge (PMBOK) is a collection of processes and knowledge areas accepted as best practice for the project management profession. As an internationally recognised standard (ANSI/PMI 99-001-2008 and IEEE 1490-2011) it provides the fundamentals of project management, irrespective of the type of project be it construction, software, engineering, automotive.

Project Management Body of Knowledge (PMBOK)
The book includes tips from some of the world's famous project managers and software development. Those tips shared in the software project management textbook (pdf) are priceless as they are based on years of professional experience where success and errors walked hand in hand. 5. Real Life Scrum by Jesper Boeg

7 FREE Project Management Books for All: PDF Download
These PMs could be ex-IT, ex-Finance, ex-consultants - but their passports now say "Project Manager" rather than "Accountant" or whatever. These '3 star' project managers would stand ready to manage the company's major projects. And if the project manager's line manager is a Director the project manager comes with a degree of ready made authority.
