RVD: Retinal
Manifestations of
Systemic
Disease -
American ...

An ocular
manifestation of a
systemic disease is
an eye condition
that directly or
indirectly results
from a disease
process in another
part of the body.
There are many

Download Ebook The

diseases known to cause ocular or visual changes. Diabetes, for example, is the leading cause of new cases of blindness in those aged 20–74, with ocular manifestations such as diabetic retinopathy and macular edema
