The US Presidential Election and the Future of Democracy Can social democracy survive the 21st century? What is Social Democracy? The Social Democratic Moment Ideas

[The Social Democratic Movement] is a comparative analysis of the developments of two of the most important social democratic parties in Europe, the SPD of Germany and the SAP of Sweden. It sets out to explain how the German Social Democrats, at the largest interwar party, could not effectively prevent the collapse of Weimar Germany, whereas at the same time the Swedish Social Democrats were establishing political hegemony in their own country...The book outlines the contrasts between the ...

The Social Democratic Moment: Ideas and Politics in the ...

Explaining why these two social democratic parties acted so differently is the primary task of this book. Sheri Berman's answer is that they had very different ideas about politics and economics-what she calls their programmatic beliefs. The Swedish Social Democrats placed themselves at the forefront of the drive for democratization; a decade later they responded to the Depression with a bold new economic program and used it to build a long period of political hegemony.
