It traces the reluctance to allow infertility a past to a new tension that has emerged between utopian and anti-utopian fears about the growth rate and composition of population. The Stork and the Syringe argues that although doctors' approach to infertility is formed in response to the exigencies of the political economy of medical practice, it also accommodates a persistent gender bias: the tendency to regard women's bodies as inviting intervention and men's as demanding caution.

The Stork and the Syringe: Political History of ...

The Stork and the Syringe argues that although doctors' approach to infertility is formed in response to the exigencies of the political economy of medical practice, it also accommodates a persistent gender bias: the tendency to regard women's bodies as inviting intervention and men's as demanding caution. This bias is manifest in relation to gametes (eggs and sperm), sex hormones, in the form of medical investigations and treatment, and the frequency and enthusiasm with which the latter are ...

The Stork has many stories surrounding it, like in Aesop's (6th century BCE) fables The Farmer and the Stork and The Fox and the Stork. The first fable begins with a farmer plowing his fields, sowing his seeds and spreading his nets, these nets caught several cranes who hopped behind him picking up the seed.

Stork - Wikipedia

The Stork ® OTC is the only conception device FDA cleared over-the-counter for use at home that is designed to help you with becoming pregnant during your fertile window. The Stork ® OTC includes two familiar elements: a cervical cap inside of a condom-like sheath (the Conceptacle ®) used to collect the sperm and an applicator device (the applicator) used to place the cap (similar to the ...

How The Stork OTC Works - The Stork® OTC Home Conception Aid

Stork believed she had to defend Rajneesh, and was part of an attempted murder plot which at the time she felt would protect him. She discusses how she attempted to kill Rajneesh's doctor with a syringe filled with adrenaline, and also plotted to kill U.S. attorney Charles H. Turner.
