The Superintendent as CEO: Standards-Based Performance by ...

The Superintendent as CEO is unique; it is both the core, how-to professional book for superintendents and it supports the very popular movement of training superintendents to have an executive/CEO mentality that complements their educational background. It has a strong research base and it accommodates the ELCC standards required for educational administration programmes to get or retain certification, while also following the AASA Professional Standards for the Superintendency (K-12).
