The Wheel of Fortune (1984) is a novel by Susan Howatch and recounts the trials and tribulations of a fictitious British family, the Godwins, who appear to be part of the minor aristocracy. As the title of the novel and Boethius' comments on Fortune as printed on the first page of the very first part suggest, defying the ravages of time and fate forms a central theme to this novel, where the six primary characters seek to challenge fate or to make their own destinies regardless of the ...
