The Wide Lens by Ron Adner is a must read to gain insight into why that might be the case. In his thought provoking book, Adner explains how most innovation initiatives focus solely on managing the "execution" risk i.e. ensuring that a valid customer need exists, vetting the idea, and ensuring appropriate leadership and implementation.

If you are looking for an ultra-wide angle lens, the XF 8-16mm f/2.8 R LM WR is a real monster. Weighing 805 grams and costing \$2K, it is obviously a very niche lens that is desired by many landscape and architecture photographers. Once again, Fuji put everything it got into this lens, including all the fancy coatings and weather sealing.
