The Work Of Global Justice

'Focusing on the 'work' by which global justice is 'produced,' Fuyuki Kurasawa takes an entirely new approach to the subject. Analyzing the social practices of a wide range of transnational activists, he enriches our understanding of the ethical and political challenges of globalization. The result is a genuinely original and insightful book.'

In general, a theory of global justice aims to give us an account of what justice on a global scale consists in and this often includes discussion of the following components: identifying what should count as important problems of global justice positing solutions to each identified problem

Global Justice (Stanford Encyclopedia of Philosophy)

Global justice is a component in normative IR theory focusing on the moral obligation of the world's rich to the world's poor (Shapcott 2014). The key tenant is redistribution of wealth to reduce global poverty. The term 'global justice' will be used interchangeably with 'distributive justice'.

Global Justice: An Exegesis of Contemporary Theories

What is Global Justice? ABSTRACT: The increasingly widespread expression "global justice" marks an important shift in the structure of our moral discourse. Traditionally, international relations were seen as sharply distinct from the domain of domestic justice. The former focused on interactions among states, while the latter

What is global justice

Global Justice Now campaigns for a world where resources are controlled by the many, not the few. We work in solidarity with social movements to fight the causes of poverty and injustice. We used to be the World Development Movement.

Global Justice Now

About us We are a democratic social justice organisation working as part of a global movement to challenge the powerful and create a more just and equal world. We mobilise people in the UK for change, and act in solidarity with those fighting injustice, particularly in the global south:
