~~Challenges to Internal Security of India by Ashok Kumar~~

The best book on India's Internal Security is "Internal Security: Concepts, Dynamics and Challenges" by Lohit Matani, IPS. The book discusses about all aspects of India's Internal Security and Disaster Management.

~~Which is the best book for India's internal security?—Quora~~

This volume analyses the role of civil society in the reform and oversight of the security sector in post- communist countries as a key aspect of the transition towards democracy. It is widely accepted that civil society actors have an important contribution to make in the governance of the security sector. However, that specific role has not been subject to much close or comparative examination.
