development from a British colonial outpost established in 1793 to the multicultural, polycentric metropolitan region of today. Though the original grid survey and much of the streetcar city created a century ago have endured, they have been supplemented by remarkable changes over the past fifty years in the context of economic and social globalization.

Toronto: Transformations in a City and Its Region on JSTOR

Toronto describes the diverse and remarkable transformations that have occurred in the urban landscapes of Toronto, especially over the last fifty years as it has grown from a provincial industrial

Edward Relph, Toronto: Transformations In A City And Its Region. University Of Pennsylvania Press, 2014. University Of Pennsylvania Press, 2014. As Hamilton becomes fully integrated with the Toronto residential property market, the implications for our continued existence as a so-called "real city" - as distinct from a former city now subsumed into a Greater Toronto - are unclear to say the least.
