Investing vs. Trading: What's the Difference?

Trading and
investing both
involve taking a
position on a
financial market in
order to profit from
price movements.

File Type PDF

Trading And

However, they pursue this goal in vastly different ways. While investors will physically buy the asset in question, traders will take a speculative position on the underlying market price.

Trading vs

Many forms of trading involve carrying out hundreds of individual trades per session, while a typical investment strategy may involve only a few transactions per year. Perspective: Perhaps the largest difference between

File Type PDF

Trading And

trading and investing in the forex markets using chart techniques. Investing is the perspective by which the markets are viewed.

Traders typically view the markets in terms of what is happening right now, while investors interpret market behaviour on a much longer timeline.
