In this chapter, Zinn will capture the diversity and multiplicity of populist causes in the 1960s. He begins by discussing the feminist movement of the 1950s and 60s, noting that even after the Second World War, women often returned to the same subservient positions they’d occupied before the war.

A People's History of the United States Chapter 19 ...  
FIGURE 19.3 As these panels illustrate, the population of the United States grew rapidly in the late 1800s (a). Much of this new growth took place in urban areas (defined by the census as twenty-five hundred people or more), and this urban population, particularly that of major cities (b), dealt with challenges and opportunities that were unknown in previous generations.
