United Nations Development Programme And

UNDP works to eradicate poverty and reduce inequalities through the sustainable development of nations, in more than 170 countries and territories.

UNDP - United Nations Development Programme

UNDP's partnership with civil society actors spans multiple domains, including programme implementation, policy development and advocacy. Recognising that civil society actors often serve as both a driving force in guiding development policies and as a watchdog to make sure policies get implemented, UNDP facilitates civil society participation in all facets of implementing the 2030 Agenda.

United Nations Development Programme (UNDP) | Department ...

The United Nations Development Programme is the United Nations' global development network. It promotes technical and investment cooperation among nations and advocates for change and connects countries to knowledge, experience and resources to help people build a better life for themselves. The UNDP provides expert advice, training and grants support to developing countries, with increasing emphasis on assistance to the least developed countries. UNDP works with nations on their own solutions t

2019 was a remarkable year for the United Nations Development Programme (UNDP) and redefined our development work in support of the #Uganda We Want. It was the year in which we consolidated development gains whilst laying the foundations for a continuous journey of hope and great promise - the UN Decade of Action, Uganda's Vision 2040. This compilation highlights some of our major accomplishments and milestones.

UNDP in Uganda

To help communities reduce and manage risks, humanitarian and development actors need to incorporate resilience-building and recovery into crisis response. UNDP makes a critical contribution to these efforts, by being present on the ground immediately after the onset of a crisis and linking humanitarian response to long term recovery.
