The idea, put forth by Juan Maldacena of the Institute for Advanced Study in Princeton, N.J., hinted at something profound: that our universe could be a hologram. Much like a 3-D hologram emerges ...

Is Our Universe a Hologram? Physicists Debate Famous Idea on Its 25th Anniversary  
A new map of the universe displays for the first time the span of the entire known cosmos with pinpoint accuracy and sweeping beauty. Created by Johns Hopkins University astronomers with data mined ...

This new interactive map lets you scroll through the universe  
Most matter in the universe cannot be seen \u2014 but its influence on the largest structures in space can. Astronomers estimate that roughly 85% of all the matter in the universe is dark matter ...

How much of the universe is dark matter?  
Albert Einstein\u2019s theory of general relativity has been remarkably successful in describing the gravity of stars and planets, but it doesn\u2019t seem to apply perfectly on all scales. Everything ...

Something is wrong with Einstein's theory of gravity  
The infant universe transforms from a featureless landscape to an intricate web in a new supercomputer simulation of the cosmos\u2019s formative years. An animation from the simulation shows our ...

A new supercomputer simulation animates the evolution of the universe  
We know that we live in an expanding universe. That means the entire universe is getting bigger with every passing day. It also means that in the past our universe was smaller than it is today.

How was the universe created?  
If you pay attention, you will recognize the signs that the universe is testing you. 1. There is a sudden change in your life. Sometimes the universe sends disruptions because it is testing your ...

6 Signs The Universe Is Testing You  
In fact, only one sedan is available for under \$50,000. Here\u2019s a look at the only luxury hybrid car cheaper than \$50,000. A traditional hybrid, often called a hybrid, is fairly simple compared ...

Only 1 Luxury Hybrid Car Has a Price Tag Under \$50,000  
Less than a billion years ago: The initial section of the universe, expanding outwards from the Milky Way, depicts thousands of spiral galaxies, represented as blue dots. 1.6 billion years ago ...

Scroll through the UNIVERSE: Incredible interactive map lets you explore 200,000 galaxies, each containing BILLIONS of stars and planets  
A new facility being built in the Australian Outback could potentially detect alien life in the universe. Construction work on the world\u2019s largest radio telescope began on Monday some 320 miles ...

New radio telescope seeks to discover if we are alone in the universe  
Our Universe takes nature documentaries one step further into the cosmos to explore how we got to this very moment in existence. (opens in new tab) (opens in new tab) (opens in new tab ...

How to watch Our Universe: Netflix & the BBC's new interstellar documentary series  
When most people think of the universe, they likely imagine that it is an infinite pool of blackness, peppered with stars here and there. Or maybe they envision it to be a colorful mix of galaxies ...

It Turns Out The Universe Has An 'Average' Color \u2014 And It's Not Black  
Astronomers have compiled 15 years\u2019 worth of data from the Sloan Digital Sky Survey into an interactive map of the observable universe. The map includes hordes of cosmic objects, like luminous ...

Play With an Interactive Map of the Observable Universe
