How Value Investing Works – Forbes Advisor

Value Investing was created in the 1920s by Benjamin Graham and David Dodd and explored in their book, Security Analysis. You can read the entire history of Value Investing here. It was revolutionary when proposed by Graham and Dodd as investors in the 1920s were selecting stocks mostly by speculation.

Value Investing in Singapore – Your 2020 Guide

Most value investors would not consider options and options trading as part of their investing strategy. The words "options" and "value-investing" shouldn't even be used in the same sentence. However, let me show you how options, when applied in a proper manner, is a tremendous "tool-kit" for a value investor.
