The Winget CP355HD & CP405HD plate compactors are intended to compact granular materials, sand/gravel mixes and asphalt. They are not recommended for use on cohesive soils (clay) nor for an extended period of time on very hard surfaces such as concrete. This manual contains only standard or standard option parts.

OPERATORS HANDBOOK VIBRATORY COMPACTOR PLATE CP355HD & CP405HD

Our standard plate compactors are single direction vibrating plates - they are the most popular and commonly used wacker plates. They are ideal for smaller compaction jobs on site, as well as DIY jobs at home. Our forward / reverse plates can operate in both directions - they are heavy duty machines for more demanding compaction jobs on site.
