personal journey from drinking and
dispensing 'grape juice' Christianity, to

Water to Wine is the narration of Brian Zahnd's journey from a watered down Gospel to a deeper walk with Jesus. I resonated with the book because it mirrored so much of my own journey from fundamentalism to a sacramental understanding of life and ministry. The book was a quick read but it was full of depth as well.

Water To Wine Brian Zahnd. Ten years later it's time to tell some of my story. I was halfway to ninety, midway through life, and I'd reached a full-blown crisis. Call it a garden variety mid-life crisis if you want, but it was something more than that. You might say it was a theological crisis, though that makes it sound too cerebral.

ANSWER: Jesus turned water into wine to prove that He's the source of life.

Changing the water to wine offered a symbol of the new spiritual life Jesus brings from the old mortal in conversion.

As Paul said in 2 Corinthians 5:17, "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!"
