We teach girls that they can have ambition, but not too much ... to be successful, but not too successful, or they'll threaten men, says author Chimamanda Ngozi Adichie. In this classic talk that started a worldwide conversation about feminism, Adichie asks that we begin to dream about and plan for a different, fairer world -- of happier men and women who are truer to themselves.

We would know, too, that the rights spelled out in the Constitution are of course not guaranteed. Instead, as Zinn wrote in 2005, the rights we think we have as Americans "only come alive when citizens organize, protest, demonstrate, strike, boycott, rebel, and violate the law in order to uphold justice"—no matter who is on the Supreme Court.

First, I know that "not all" is partial negation. For example, "not all the numbers are 0" means there may be a number that is nonzero. And to me, a non-native speaker of English, it seems that "all not" should be used for complete negation. However, I remember distinctly from high-school English lessons that "all not" is also partial negation.
