Against the backdrop of rising economic inequality, *Why We Can't Afford the Rich* tackles the myth that the rich are vital wealth creators. Instead, Andrew Sayer outlines the negative societal and environmental impact of unsustainable growth and extreme concentrations of wealth. Winner of the 2015 British Academy Peter Townsend Prize, this is a readable and persuasive book, even if some of its recommendations will be familiar to readers of other recent, popular analyses of inequality ...

'Why can't you afford to buy a home? It's not because of too many smashed avocados, or too little land, but too much bank lending. Josh Ryan-Collins clearly explains how bank lending for speculation has made housing inaccessible, and how to tame the beast of finance.' Steve Keen, University of Kingston, author of *Debunking Economics*

What to Do With the "I Can't Afford It" Objection

The scarcity mindset keeps us from feeling we have choices or control over our financial situation. It places issues in a negative light, such that we make decisions out of fear and compare ourselves to others. On the flip side, being valueist means that we see the potential abundance in things. We make decisions from a place of optimism, because again, anyone can afford anything they inherently value.

Sayer is right in explaining that our current predicament goes beyond simply being economically inefficient. It is also an uneven distribution of rights, justice and power. That makes it unstable. A powder-keg. No, we cannot afford the rich, well, not all of them, but we can start to tell each other the truth about how our civilisation is built.

Why we can't afford another lockdown. With the sudden spike in Covid-19 infections over the last few days, we have seen a re-emergence of discussion on a possible second wave. Globally, the Covid-19 numbers are increasing on the one hand, while countries have decided to resume activities on the other. However, when there is movement and interaction of people, there is a higher probability of the virus spreading.
