Windblowne

Dainty silver accents and round white stone beads are threaded along a metallic rod, giving way to a shimmery silver chain tassel for a wanderlust finish. Earring attaches to a standard post fitting. Sold as one pair of post earrings.

~~Paparazzi Accessories: Windblown-White~~

Windblowne is a wonderful adventure and you're going to love it. It's a fun yarn that reminded me a bit of A Wrinkle in Time in that it's great middle grade science fiction. I really can't tell you anymore about the book without spoiling some of the surprises.

~~Windblowne eBook by Stephen Messer 9780375893476 ...~~

Windblowne is not a real place, of course, and there are some almost magical qualities about it that Messer reveals only as they become relevant to the story. There is no chapter detailing that Windblowne exists on another planet or is the home of a magical tribe forgotten by history, only subtle and some not so subtle hints along the way as to ...
