Wings on My Sleeve. Eric Brown. Phoenix, 2007 - Biography & Autobiography - 296 pages. 1 Review. Eric Brown was on a University of Edinburgh exchange course in Germany in 1939, and the first he knew of the war was when the Gestapo came to arrest him. They released him, not realizing he was a pilot in the RAF volunteer reserve: and the rest is history.

'Wings On My Sleeve' takes an honoured place on my 'test-pilot shelf' in my study. Highly recommended. RIP EWB. PS-its a good idea to be sitting next to a computer when reading this book - simply to identify the many aircraft that the author flew and tested - many were prototypes!
