Calypso Tutorial Videos ¦ Victory Programming
Our training range The ZEISS Academy provides a wide range of qualification tools and services, customized to your needs and ready to elevate your skills and expertise. No matter if you are new in metrology, or an metrology expert – we will support you in every stage of expertise – and take you further.

ZEISS Academy Metrology - Our training range
ZEISS CALYPSO: Training - Enabling Beginner programmers to perform above their experience, Intermediate programmers to perform like Advanced, and Advanced programmers to blow through programs faster than they ever thought possible. Stop paying for contract programming by super-charging your own team with powerful skills.

All Things Quality
Zeiss Calypso Training Learning a new skill can be fun! On-site or by web conference.

Zeiss Calypso Programming & Training ¦ Minnesota
CALYPSO: The next generation in CAD-based CMM software. CALYPSO gives you the freedom to focus on the dimensional analysis of your parts. Create measuring programs right from your inspection requirements. No more sequential inspection plans, structured programming or messy code.

CALYPSO CMM Software - Inspection Engineering
• Identify the Simulation Tools available in CALYPSO and utilize these in programming and testing program runs in CALYPSO. ZEISS eLearnings give you the freedom and flexibility to expand your knowledge of measurement technology - at your own pace. To access the training you have purchased, log in to the ZEISS Metrology Portal.

ZEISS CALYPSO Planner and Simulation eLearning - Software
CALYPSO does not require extensive training; CALYPSO interactively leads you to the right result. You can't measure any faster manually! 10 Carl Zeiss is not only a pioneer in scanning, but also plays a leading role in scanning software. CALYPSO – because not every software is always as fast as the measuring method. 299 People Used
