Alchemy of Touch, with M. Oruch, NY - zerobalancing.com

Zero balancing is a type of manual therapy devised by Frederick "Fritz" Smith in the 1970s. Smith proposed that a kind of energy field within the human body could be affected by bodily manipulations, so bringing health benefits. The practice teaches that currents of energy are stored within the human skeleton, and that these affect both physical and mental wellbeing. Zero balancing is pseudoscientific and its practice has been characterized as quackery.
